

IMPERIAL COLLEGE UNION  
**DPGS Report**  
*A note by “Deputy President Graduate Students”*

The GSA Executive committee have finalised the GSA Constitution and will submit it to the next Students Activities Committee meeting for recommendation to ICU Executive Committee.

Events Committee and External Affairs Committee were formed through GSA Executive Committee.

GSA was asked to submit a report every month to GSLSM and GSPSE Management Committee.

GSA is currently investigating whether the Union should re-join the National Postgraduate Committee as an affiliate member, which will cost about £644 – 14p per postgraduate student. GSA Exec has asked the DPGS to attend NPC’s next meeting to see whether there are benefits to this community. A paper may then be submitted to ICU Executive Committee if it is recommended by the GSA Executive Committee.

GSA is also investigating whether the Union should join Eurodoc, which was proposed by Mary Ritter, Pro Rector (Postgraduate Affairs).

The GSA has finished the website and is currently troubleshooting for it to start running next week. A launch event will follow after that.

The GSA is finalising the dates and details of the Officers’ training with McKinsey, which aim to take place this term.

The CMI (Chartered Management Institute) is now officially a sponsor of the GSA and details are given in Appendix iii.

Ann Brennan, MSc Finance Programme Manager, is now the GSA Honorary Senior Treasurer.

DPGS attended College meetings.
