Advancing geography
and geographical learning

Travelling somewhere remote?

This course starts where conventional first aid stops.

- Designed for anyone planning to go to a remote area where medical help is not readily available.
- Learn how to assess, manage and treat some of the most common expedition injuries and illnesses.

Weekend fees: Standard £300 / Student £195.50

Book online: www.rgs.org/GOseminars T: 0207 591 3030 E: go@rgs.org
