Our services cover the full asset spectrum both in size and lifecycle, from the creation of new assets to services that sustain and enhance operating assets

years
combined
company
history

WorleyParsons
resources & energy

- ▶ This year, WorleyParsons is celebrating its exciting history as we honour the entrepreneurial spirit of our people and the strategic acquisitions that have accumulated 1500 years of combined history.
 - 35+ acquisitions since 1960
 - 15+ acquisitions in the last 10 years
 - 230+ alliances and long-term contracts globally

Why WorleyParsons?

- ▶ Graduate Development Programme
 - Graduate Development Organisations (GDOs)
 - Buddy Schemes
 - Global graduate intranet
- ▶ Diversity
 - projects and people
- ▶ Sustainability
 - EcoNomics™

Who are we looking for?

- ▶ Ambition, willingness to learn, an eye for detail
- ▶ Excellent problem solving and analytical skills
- ▶ Flair for innovation and commercial acumen
- ▶ Leadership potential, passion, energy and an entrepreneurial spirit
- ▶ Excellent communication with the ability to build enduring relationships
- ▶ Relevant degree and good academic results

- ▶ Sustainability is increasingly important for our customers (the world's premier resources companies) and governments
 - Potential future liability – e.g. carbon tax
 - Licence to operate
 - Tightening regulations – e.g. RSA's Mining Charter
 - Scrutiny by investors, NGOs, the media
 - Volatile resource costs
 - Transparency of decisions
 - Avoid resource curse
- ▶ All need help making decisions amongst complex options
 - Locations, technology, timing, employment, pollution

- ▶ Our sustainability offering – helps customers make sustainable decisions
- ▶ Identifies what is important to the customer – what decisions they are (and are not) sensitive to
 - ▶ 10 years
 - ▶ 200+ projects
 - ▶ Helps make WorleyParsons one of the world's most sustainable engineering contractors
